

CARES Funding Summary

Data as of December 8, 2020

Part of Harris County's CARES Act funding will reimburse the payroll of first responders as allowed by the U.S. Treasury Department guidelines. Harris County is reinvesting these amounts in the response to COVID through the creation of a COVID Response and Recovery Fund. The charts below include the COVID-related allocations and expenditures for both the CARES Act funding and the Response and Recovery Fund.

C A R E S

The Coronavirus Aid Relief Economic Security Act
